

Trader 535 Signature for sale in Greece

The **Trader 535 Signature** (2001) is a **luxurious motor cruiser** designed for comfort, style, and adventure. This beautifully maintained vessel is perfect for exploring the stunning waters of the Mediterranean.

Whether you're seeking the tranquility of secluded bays or the vibrant atmosphere of island towns with their charming restaurants and cafes, this yacht provides the ideal setting. With multiple entertainment areas both indoors and outdoors, you can relax with a cocktail on deck, take in breathtaking sunsets, or navigate the Aegean and Ionian seas with ease.

Featuring two helms—one in the saloon and another on the **spacious flybridge**—this vessel offers versatility and convenience, with modern navigational equipment ensuring smooth sailing.

Designed with both functionality and elegance in mind, the Trader 535 boasts a well-appointed interior finished in varnished timber and leather, providing a warm and inviting ambiance.

The master cabin at the stern features a **king-size bed**, lounge space, desk, and ample storage, along with a private ensuite bathroom. The guest cabin at the bow includes a **queen-size bed** and direct access to a shared bathroom, while the captain's cabin offers two single bunks.

A fully equipped galley with a large fridge, oven, stove, and dishwasher ensures a seamless onboard living experience.

Powered by **twin Caterpillar 3208** engines with excellent fuel efficiency, this yacht delivers both performance and economy.

Regularly serviced and meticulously maintained, the Trader 535 Signature is in exceptional condition, making it the perfect choice for those seeking a luxurious and reliable cruising experience.
