

Turkey gulet boat for sale

Embark on a journey of sophistication and power aboard the “My Dream” GT 457 gulet boat, an epitome of maritime excellence situated in the charming embrace of the Black Sea, Batumi, Georgia. Though crafted in 2009 in Turkey, this vessel has sailed a mere 120 days.

Powering this maritime gem are two Mitsubishi S6R2-MPTK main diesel engines, each generating an impressive 530 kW/710 BHP at 1400 rpm. Paired with two Dosan Type AD136T auxiliary engines, the motorboat effortlessly achieves cruising speeds of up to 16 knots.

Radar, AIS, GPS, echo sounder, VHF station, two portable VHF units, international communication systems, radio telephone, EPIRB, and a magnetic compass create a cocoon of safety and precision, enabling confident exploration of the open seas.

The yacht’s dimensions are both impressive and accommodating, with a gross tonnage of 457 t and a net tonnage of 164 t. A length overall of 46.6 meters and a breadth of 11.72 meters provide ample space for relaxation and entertainment.

This maritime wonder is brimming with features to enrich the experience:

- Anchor Winch: A testament to meticulous deck equipment, ensuring safe anchoring.
- Fore Hydraulic Gangway: An elegant bridge between land and vessel, enhancing accessibility.
- Fire-Fighting: A pump and alarm system dedicated to safety and protection.
- Berths: Offering 8 berths, including 2 double berths, for a comfortable retreat after a day

“My Dream” GT 457 Turkey gulet boat boasts impressive tank capacities, including 10 tonnes of marine diesel, 15.15 tonnes of fresh water, and a notable 47 m3 of sewage capacity.

The vessel is chartered by a Delaware-registered company.

The yacht recently weathered a storm, necessitating minor cosmetic repairs. Seize this exclusive chance to acquire the MANAVGAT GT457 – a symbol of luxury, entertainment, and relaxation.
