

Two owners 2014 Beneteau Oceanis 38

Description

With the Oceanis 38, you get all the wonderful features found on the big sister Oceanis 41, such as a large cockpit, an incredibly bright salon and a fantastic owner's cabin in the bow!

The advantage of the Oceanis 38 is that she is exactly 38 feet, which makes it easier to find berthing space and winter storage, simply a perfect combination.

This particular model has been updated in recent years with, among other things, new canopy and cushions in the cockpit, which makes the feeling on board very fresh.

She can be seen in Grebbestad.
