

Wauquiez Amphora 38 for sale

The **Wauquiez Amphora 38** Center Cockpit, built in 1990, is a well-equipped cruising yacht with a **practical and comfortable layout designed for extended cruising and life aboard**. She offers generous interior space with **two separate double cabins**, a spacious salon with convertible berths, and a **fully equipped galley** with three-burner stove, microwave, toaster, cookware and cutlery.

The traditional wooden interior is well kept and includes a flat-screen TV in the salon. The boat is powered by a Mercedes 55 HP diesel engine, recently serviced with oil and filters replaced, while the hull has just received **fresh antifouling and brand-new seacocks**. **New bilge and drainage pump**s have also been installed.

Her cruising equipment includes **in-mast furling mainsail and furling genoa**, a complete wind instrument system, Raymarine ST6000 **autopilot** and a **bow thruster** for easier maneuvering in the marina.

The boat has recently received a **new 400 W solar panel** installation and a **brand-new 300 Ah GEL battery**, providing a useful level of onboard autonomy.

She carries **200 L of fuel and 200 L of fresh water**. For offshore and ocean cruising, two additional sails are included: **a storm jib and a spinnaker**.

A **Bombard 3.10 m dinghy with a 6 HP outboard** is also included and is described as being **in very good condition**, fully registered and insured.

The marina berth is paid through December, and the sailboat is presented as **fully equipped and ready for immediate cruising**, subject to the buyer’s own inspection and survey.
