

Well maintained and richly equipped Bavaria Vision 40

Description

Well-maintained and richly equipped Bavaria Vision 40 with 3 double cabins.

Newer sails and a deep lead keel contribute to very good sailing characteristics. 2 steering wheels, 6 winches, and a German joint make it easier to sail alone.

Mainsail and foresail are both high-performance cruising sails from Gran seil. Both hardly used feel like new.

The mainsail is fully furled with roller carriages.

Forseiletl is Genoa 140% HPC Bi-radial.

Great Gennaker in beautiful colors is included, in top condition.

Spinnaker boom mounted on a mast.

L-galley with cooler and refrigerator. Bathroom with toilet/shower. The decor is bright. Large windows and extra high ceilings. Protective sheets and mattress toppers have been used in the cabins. The floors are like new as a full-covering carpet has been used.

Gray Niroxx water-resistant outdoor cushions.

Eberspracher waterborne central water heating.

New this year:

- Chart plotter, Raymarine Axiom 9â?³, Raymarine Radar Quantum, GPS RS150, VHF with GPS/AIS receiver, wind sensor, and 130 W solar panel.
- Newer folding propeller. Bellow changed 2021 (membrane).
- Newer sprayhood and slightly used full-covering cockpit canopy from Kapell & Annat.
- Tailored Cockpit winter pressing from Kapell & Annat.

- Smooth and nice under with International VC 17m for good speed
