

Well maintained Bavaria 46 Cruiser only one owner

Description

Well maintained Bavaria 46 cruiser with fireplace!

This is the boat you can enjoy in, even on chilly autumn and winter days.

This is a Bavaria 46 Cruiser in the 4 cabin version, with 2 cabins aft, one cabin forward and a berth cabin on the port side. The boat has 2 bathrooms with a toilet, and a shower in the aft bathroom. There is a Dickinson stove on board which has its own diesel tank with a drop. This means that it does not need electricity and you have lovely warmth on board in ports of entry on rainy days. There is both a refrigerator and a cooler on board.

The boat is easy to sail alone as all the ropes are controlled from the cockpit

The boat has been well maintained. **The boat has only had one owner since it was new in 2005.**

New cushions in salon in 2022

Converted bed in Mastercabin so that you can lie with your head towards the bow.

The boat has a 75 Hp Volvo Penta engine. Space in the bubble harbor for the coming winter can be arranged.
