

X-402 for sale in Greece

X-402 (1987) is a **well-maintained performance cruising yacht**, combining the renowned sailing characteristics of the X-Yachts brand with a practical and comfortable interior layout.

The accommodation includes **three double cabins**, with a spacious forward double berth, and **one bathroom**, making her suitable for family cruising or extended stays onboard.

The interior is complemented by updated **dinette cushions (2024)**, while the cockpit features renewed **exterior cushions (2025)** and a comfortable outdoor living area with a cockpit table and awning cover.

The yacht has benefited from **extensive maintenance and upgrades in recent years**, ensuring reliable operation and long-term value.

Major works include complete **hull stripping, sandblasting, and application of seven coats of Gelshield osmosis protection**, **deck repainting with Kiwi anti-slip coating**, a **full steering system overhaul**, **bulb treatment**, and a comprehensive **engine refit**.

Mechanical upgrades include **replacement of the engine turbine, starter motor, water pump, engine mounts with alignment, heat exchanger cleaning, and a complete overhaul of engine components in 2026**.

Navigation equipment includes a **Simrad chartplotter**, echo sounder, log and GPS, wireless **Tacktick repeaters**, wind instrumentation, VHF, radio system, and **two Autohelm autopilots** (one as a full backup).

Additional equipment includes a 220V charger, **MaxProp three-blade propeller (2026)**, refrigerator, two-burner stove, autoclave, and recently **renewed guardrails**.

This X-402 represents an attractive opportunity for sailors looking for a classic, **upgraded yacht ready for immediate cruising**.
