

## 2023 Aventura 50 MY PowerCat in Turkiye

### Description

The **Aventura 50 MY (2023)** is a premium 14.90-meter motor catamaran that combines performance, luxury, and efficiency. With a generous 7.50-meter beam, it offers a spacious and well-designed layout, featuring **four cabins**, each with its own en-suite bathroom, providing maximum comfort for extended cruising.

The expansive **flybridge**, equipped with a **hard-top, grill, refrigerator, and sink**, creates an ideal space for socializing and enjoying panoramic views.

A **hydraulic submersible platform, sun cushions, and underwater lights** enhance the outdoor experience, while a front shade cockpit sail ensures comfort in all weather conditions.

Powered by **twin 370 HP Yanmar** engines with only **280 hours**, the Aventura 50 MY delivers outstanding performance, complemented by a Fisher-Panda **15 kW generator** and 10 x 400W **solar panels**, providing excellent autonomy at sea.

Inside, the Aventura 50 MY is designed for modern living, featuring a fully equipped kitchen with a **dishwasher, oven, gas stove, microwave, and a spacious 560L refrigerator**.

The stylish salon offers a **Fusion 50â³ TV** and hi-fi system, **air conditioning throughout**, and contemporary furnishings for a relaxed onboard experience.

The yacht is equipped with advanced **GARMIN** navigation and electronics, including **radar, autopilot, chartplotter, and a Garmin rear-view camera**.

A **watermaker** (230L/h 220V and 100L/h 12V) ensures a continuous freshwater supply, while a washer/dryer adds convenience for extended voyages.

Designed for both adventure and relaxation, the Aventura 50 MY seamlessly blends power, technology, and elegance, making it an exceptional choice for luxurious cruising.
