

2016 Bavaria Cruiser 37 for sale in Greece

Description

The **Bavaria Cruiser 37** (2016) is a well-maintained and fully equipped 37-foot sailing yacht, ideal for private use or charter management. She offers an excellent balance between performance and onboard comfort. Powered by a reliable Volvo D1-30 diesel engine (20.1 kW) (2700 hours), the yacht ensures safe and efficient cruising.

The interior layout features **3 double cabins** and 1 bathroom with a shower, comfortably accommodating up to 6 people. The galley is fully equipped with oven, refrigerator, and sink, and the yacht is offered complete with bed linen and towels.

The boat is presented with a comprehensive inventory, including a furling mainsail and genoa, electric windlass, solar panel, and a full suite of navigation instruments (GPS plotter, VHF, echo sounder, wind indicator).

On deck, she offers a spacious cockpit with twin steering wheels, sprayhood, bimini top, cockpit cushions, and a bathing platform with hot/cold shower. Safety equipment includes EPIRB, life raft, life jackets, and flares.

Additional features include dinghy with oars, snorkeling set, and full deck gear. Well-cared for and ready to sail, this Bavaria Cruiser 37 is an excellent opportunity for those seeking a modern and versatile cruising yacht.
