

2011 Beneteau Oceanis 46 for sale in Greece

Description

The handover will be possible in the last week of October, while the boat is already available for viewing and the purchase process can begin now.

The **Beneteau Oceanis 46 (2011)** is a well-equipped and meticulously maintained sailing yacht, offering comfort, performance, and reliability. This **3+1 cabin, 2-head** cruiser features a full batten **mainsail and genoa, both replaced at the start of 2024**, ensuring optimal sailing performance.

The **sprayhood and bimini were renewed in 2022**, with the sprayhood's clear panels updated in 2024 for improved visibility and protection. Recent teak work includes the aft deck and cockpit bench tops, giving the exterior a fresh and elegant feel.

Below deck, the yacht is powered by a dependable **Yanmar 75HP engine with 5,200 hours**, serviced twice each season. Key upgrades include a **new disc clutch, a complete sail drive overhaul**, and a **three-blade propeller**.

The vessel is fitted with a Honda 2.3HP outboard motor, a robust Maxwell 1200W anchor windlass, and a **Delta 20kg anchor with 70 meters of chain**.

Energy efficiency is supported by two 340W solar panels, and annual rigging inspections are performed by Meltemi Yacht Rigging.

The interior showcases a brand-**new wooden floor**, creating a warm and modern atmosphere. Power storage is ample, with three service batteries, one engine battery, and a dedicated VHF battery.

The yacht is fully outfitted for comfortable cruising with features such as autopilot, battery charger, dinghy, **GPS plotters (interior and deck), electric windlass**, hot water, flippers and masks, echo sounder, furling genoa, and a full batten mainsail.

This vessel is ideal for discerning sailors seeking a turnkey solution for coastal or bluewater cruising.
