

Beneteau Oceanis 400 for sale in Greece

Description

The **Beneteau Oceanis 400** (1995) is a proven and comfortable cruiser, perfectly suited for both Mediterranean adventures and extended liveaboard life. Designed with **three cabins, two heads** with showers (one with a black water tank), and a spacious cockpit, she provides **comfort for family cruising** or long-term stays onboard.

For the past 15 years, the yacht has sailed seasonally in Greece and the Mediterranean (4-6 months per year) and has been winterized on hard.

This Oceanis 400 is ready to sail, rigging checked 2023, **furling main and genoa** (2018), and additional sails for varied conditions.

Her **Yanmar 41HP** engine has been **regularly serviced**, with a new alternator (2024) and a propeller serviced the same year. She is energy independent with **solar panels**, a wind turbine, and a robust Victron electrical setup.

Safety is fully up to offshore standards, including a recently **reviewed liferaft** (2025), EPIRB, and complete safety gear.

Electronics include **AIS, autopilots, radar**, and a modern **nav station with Raspberry Pi integration for remote monitoring**.

With her comprehensive equipment list, including a dinghy and outboard, extensive spares, pilot books, and Mediterranean charts, the Beneteau Oceanis 400 is a reliable cruising yacht, ready to set sail immediately.

Location: Corinth, Greece

Flag: France

EU VAT paid

- LOA 12 m
- Beam 3.95 m
- Draft 1.70m
- Layout: 3 Cabins, 2 Heads with showers (1 with black water tank), large cockpit
