

Dehler 34 Optima 106 for sale in Greece

Description

The 1986 Dehler 34 Optima 106 cruiser racer is a versatile sailboat known for its performance and cruising comfort.

With a well-maintained YANMAR 3 GM 30 HP engine, it offers reliable power when needed, while the boat's sail plan includes a main, Genoa, spinnaker, and asymmetric sails for various sailing conditions.

The boat features an electric windlass for ease in anchor handling, complemented by a sturdy Inox Bruce anchor with 70 meters of 6 mm chain.

Onboard systems include a 220V fridge, icebox, electric toilet pump, small solar panel, and a 150-liter water tank, ensuring convenience during long voyages.

Safety and navigation are well accounted for with 4 life jackets and harnesses, flares, two fire extinguishers, and a depth sounder, log, and wind instrument for precise navigation.

The Dehler 34 is equipped with 3 x 100 Ah batteries (2024), a battery charger, and two VHF radios (including a handheld).

Additional comforts include a functional kitchen with an oven and a sun tent for shade.

This boat is in excellent condition and well-suited for both cruising and racing.
