

## Fairline Squadron 50 Fly for sale in Greece

### Description

The **Fairline Squadron 50 flybridge**, originally built in 1990 and extensively **refitted in 2022**, is a versatile and luxurious motor yacht designed for comfort and performance. At 14.75 meters in length with a 4.45-meter beam, it offers spacious accommodations, including **three cabins**, a crew cabin, and 10+2 berths.

The yacht is equipped with **two Volvo Penta 480hp engines, overhauled in 2023**, enabling a **cruising speed of 21 knots and a maximum speed of 27 knots**, with a fuel consumption of 100-110 liters per hour. Its ample fuel (2 x 818 liters) and water (750 liters) tanks make it suitable for extended cruising.

The 2022 refit added modern features like solar panels, a new bimini, LED lighting, and a teak gangway.

The yacht is outfitted with advanced navigation and comfort-enhancing systems, including a **Garmin GPS-Plotter** at both the interior and flybridge helm stations, a **Navicontrol AP203 autopilot**, and a **Vetus bow thruster** for easy maneuverability.

Onboard amenities include **two air-conditioning units**, a full entertainment system with **Bluetooth-enabled sound, TVs, WiFi**, and an upgraded galley featuring a **coffee maker**, microwaves, and dual **electric** and gas stoves.

The **deck is fitted with hot and cold showers**, a **Quick P04 electric windlass**, and a spacious flybridge.

The **2022 Kapa dinghy with a Johnson 15hp outboard** and a 12-person liferaft further enhance its safety and utility.

This yacht offers an ideal blend of style, technology, and practicality for both leisure and extended voyages.
