

Fountaine Pajot MY 44 for sale in Croatia

Description

Fountain Pajot MY 44 for sale from 2018, is a stylish, elegant, and spacious 44ft motor catamaran. It was built by the famous Italian architect Pieranglo Andriani and designed by Daniel Andreu. The hulls are designed to provide superior sea protection and stability regardless of speed, providing exceptional comfort underway and at anchor. The vessel can reach a speed of 22 knots while sailing smoothly and calmly.

The MY 44 is the finest power catamaran Fountain Pajot has ever built and is considered the best modern cruising catamaran in its category. This is the only powerboat designed exclusively to use IPS, and the ease of maneuverability, outstanding economy, sea stability and cruising range of up to 1,000 miles is simply amazing for a powerboat.

The interior of Fountain MY 44 is stylish, modern and functional. There are 3 double cabins and a cabin for the crew. The galley is a large space with plenty of storage space and all the amenities. A large flybridge, spacious cockpit and spacious cabins are just some of the benefits of living and sailing on the MY 44
