

Fountaine Pajot Astrea 42 Maestro for sale in Turkey

Description

The **Fountaine Pajot Astrea 42 Maestro (2021)** is a luxurious and well-equipped sailing catamaran designed for comfort, performance, and long-distance cruising. It offers excellent stability and maneuverability.

The Oceanic version is powered by twin **VOLVO 50 HP** Saildrive engines with only **450 hours**, ensuring reliability and efficiency.

Its spacious deck layout includes a **bimini for the helm station**, outdoor cushions, and a **gas plancha**, making it ideal for outdoor relaxation and entertainment.

The CST mainsail with a full batten, lazy jack system, and **electric winch for the mainsail** provide effortless sail handling, while the GARMIN Smart Cruising system with **autopilot**, GPS, and **AIS** enhances navigation safety and convenience.

The interior of the Astrea 42 is designed for maximum comfort, featuring **three spacious cabins and two bathrooms with an additional central shower**. The main salon and galley area boast modern conveniences, including a gas oven, **dishwasher** for six, and a **cockpit fridge**.

A 9kW **generator**, **solar panels**, and a **2000W inverter** ensure an independent power supply, complemented by air conditioning for ultimate onboard comfort.

The yacht is also equipped with an **electric head** with a large bowl, pressurized seawater system, and interior LED courtesy lighting, enhancing the living experience.

For anchoring and docking, the electric windlass with a **105m chain** and 20kg anchor, mooring kit with six fenders, and additional cleats provide security and ease of use.

The package is completed with a **Surmarin 3.3m dinghy and a 20HP engine**, making shore excursions effortless.

This catamaran is an excellent choice for sailors seeking a balance of luxury, performance, and practicality.
