

Hartley Fijian ketch 43 ft for sale in Italy

Description

Step aboard this beautifully maintained 1984 Hartley Fijian Ketch for sale, a 43-foot vessel that combines classic design with modern amenities. This boat is perfect for long voyages or comfortable living on the water.

Enjoy the elegance and durability of a teak deck, offering both aesthetic appeal and practicality. Equipped with a reliable Selden roll reef mast for easy sail handling and improved performance. A powerful generator ensures you have electricity wherever you are. Stay warm in cooler climates with the efficient Hebasto heating system. Navigate comfortably and safely from the well-appointed pilothouse. The autopilot system allows for hands-free navigation, making long trips more manageable.

The new solar panels are eco-friendly and cost-efficient, providing renewable energy. Supplement your power needs with a new wind generator, perfect for off-grid living. It is powered by a robust 120HP Volvo Penta engine for reliable performance.

Anchor is easily used with the electric anchor winch. Large tanks with 1000 liters for water and 700 liters for diesel ensure extended trips without frequent refueling.

This Hartley Ketch is equipped with numerous other features and upgrades that make it a standout vessel. Whether you're planning extended voyages or looking for a well-appointed liveaboard, this boat is ready to meet your needs.
