

Jeanneau Voyage 40 for sale in Greece

Description

The **Jeanneau Voyage 40** is a well-equipped and thoughtfully maintained cruising yacht, ideal for extended voyages or comfortable coastal cruising. Built in 1989, she features a solid **Kevlar-reinforced GRP hull** with a round bilge and fin keel.

Her spacious dimensions allow for a generous layout, including **three private cabins** and a roomy saloon with **newly upholstered seating** (2022), offering berths for up to nine people. The owner's forward cabin includes a private head and shower, while the two aft cabins share a second head and feature additional washbasins.

Practical additions like the large galley with a gas stove, Waeco fridge, hot water system, and ample freshwater tanks make life aboard comfortable and self-sufficient.

Technically, **the boat is in excellent condition**, benefitting from a series of recent mechanical upgrades: a **newly renovated diesel pump, feed pump, injectors, and engine mounts** in 2022, as well as a **renovated generator** (2020), **gearbox** (2020), and **anchor winch with wireless control** (2018).

Powered by a reliable **Perkins Prima M50** diesel engine (50 hp), she cruises smoothly at up to 8.3 knots.

The vessel also boasts a well-appointed navigation suite including a **2022 ONWA chartplotter with AIS, Raymarine instruments, and a Navico autopilot**.

On deck, she is equipped with a Francespar stowaway mast, Profurl furling system, multiple Lewmar winches, solar panels, and extensive anchoring gear.

Jeanneau Voyage 12.50 stands out as a seaworthy and comprehensively upgraded yacht, ready for her next adventure.
