

Jeanneau Sun Odyssey 45.2 for sale in Italy

Description

The **Jeanneau Sun Odyssey 45.2** (1999) is a well-equipped bluewater cruiser offering comfort, reliability, and performance at sea. She provides generous interior volume and stable sailing characteristics.

Powered by a reliable **90 HP Yanmar** inboard engine **with shaft** drive, she is fitted with a **three-blade Max Prop** and spare propeller.

Fuel capacity is 220 liters, while fresh water storage reaches 420 liters, making her suitable for extended cruising.

Key deck equipment includes a **bow thruster**, **electric windlass**, manual and electric bilge pumps, an 80 m / 10 mm anchor chain with a 20 kg anchor, ensuring ease of handling and safety on board.

The yacht comes with a solid package of navigational and comfort features: **Raymarine VHF radio**, **Raytheon ST60 instrumentation (Multi/Tridata/Wind)** at both helm stations, GPS at the navigation table, and an **autopilot** for long passages.

Electronics are supported by an inverter, a **new 220V battery charger** (2025), three 160 Ah service batteries (2024), and dedicated engine and windlass batteries.

Additional highlights include a **watermaker**, refrigerator, icebox, and full 12V system.

Certified with a **new RIINA 2025** safety certificate, she is ready to sail immediately.

Designed for both performance and liveaboard comfort, this Sun Odyssey 45.2 represents an excellent opportunity for sailors seeking a capable and well-maintained cruising yacht.
