

Lagoon 380 S2 for sale in Greece

Description

The Lagoon 380 S2 is a professional sailing catamaran built in 2008. It features a fully battened mainsail from 2017, with a cover added in 2020 and a roller genoa from 2017. The vessel has an overall length of 11.55 meters, a beam of 6.53 meters, and a draft of 1.15 meters. It accommodates up to 10 berths across 4 double cabins and 2 single cabins, and it includes 2 electric heads. The fuel tank capacity is 300 liters, and the water tank holds 600 liters.

The catamaran is equipped with a bimini installed in 2020 and solar panels. It operates on shore power with 12V/220V systems. The propulsion comes from twin Yanmar engines with a combined horsepower of 58hp, each having 4,577 hours of operation and fitted with sharp blades propellers from 2016. The Lagoon 380 S2 has a full set of navigation instruments, a GPS-Plotter in the cockpit, an autopilot, and a Lofrans electric windlass (1500W, 2020) with a 10mm chain up to 100 meters (2020).

Additional features include a deck shower, a single steering wheel, a sound system with a radio/CD player, cockpit and cabin speakers, a Plastimo dinghy with a Yamaha 4hp outboard engine, and various extras such as cockpit cushions (2021), shore power 220V, an interior saloon (2020), fans in all cabins and the saloon, a bathing ladder, a gangway, hot water, a bathing platform, a refrigerator, an oven, a safety net, and a VHF radio.
