

More 30 with sails in top condition

Description

Hi. Now we are selling our dear MÅrre 30 as we have become interested in bigger sailboats. It has been 3 great seasons with it, and we have both raced and been out on family holidays in the archipelago. The boat is large and spacious, with sails in top condition. Suitable both for those who like things to go fast and for families who want a quiet and pleasant time out in the archipelago.

More 30 has excellent sailing characteristics because the boat has high rigidity and a slightly wider hull. Combined with the new sails, the boat becomes stable even when the wind picks up. Two cabins and a toilet with good standing height make the boat very spacious. Inside the cabin, there is room for 5 people.

The boat is equipped with a gas stove and oven as well as a fridge/freezer. In addition, there is a faucet for fresh water.

The mainsail is in top condition and has all tell tails left. It was purchased a couple of years ago and sparingly used. The genoa sits on a roll easily unfolded and rolled in directly from the cockpit. You don't have to worry about lifting, tearing, or attaching the seal. The genoa is also in fantastic condition, just like the mainsail. All shots and cases are drawn to the cockpit for easier handling.

The inboard that sits in is of type Volvo Penta 6a and delivers 10hp, which brings the boat up to 6.5 knots. It is a reliable diesel engine that is very easy to start and economical. Cockpit controls.

It is well equipped with:

- Furlex furling system for the sail.
- Raymarine element S navigator.
- 2 Lewmar winches for various applications such as seal handling.
- Bruce anchor in stainless steel. Solar cell.
- Compressor fridge.
- Toilet with button emptying.
- Gas stove and oven.
- Autopilot.

No image found

- Mooring material such as cleats and wedges.
- Cover stand with press netting for winter storage.
