

Centaurian 85 for sale in Croatia

Description

The **Centaurian 85** is a luxurious motor yacht originally built in 2003 by Light Notika and extensively modernized in 2013, offering exceptional performance and contemporary comfort. Her hull, constructed from E-glass multilayer epoxy composite, ensures strength and lightness.

Powered by **two robust MTU engines** producing a combined **2780 hp**, she reaches a top speed of **26-28 knots** and comfortably cruises at 18-20 knots with a **range of 800 nautical miles**.

The yacht is equipped with comprehensive propulsion and hydraulic systems, **twin Kohler generators**, a **watermaker**, **air conditioning**, and a **full suite of updated Raymarine navigation electronics**.

Designed for style and functionality, the Centaurian 85 offers luxurious accommodations and a host of entertainment features.

The saloon is outfitted with a 46" LED TV, premium sound system, and satellite receivers, while each of the cabins—master, VIP, and guest—has its own TV and media setup.

The galley is fully equipped with modern appliances, including a ceramic stove, oven, microwave, and dishwasher, ensuring top-tier onboard dining.

Additional features include a jet tender, Yamaha jet ski, two life rafts, and a tender crane for easy water access.

The Centaurian 85 is a standout option for discerning owners or charter operations.

The boat needs refit and service. Send request for current pictures.
