

Princess V40 for sale in Greece

Description

The 2018 Princess V40 motorboat for sale is a sophisticated vessel built with a fiberglass hull and teak decking, offering a sleek and durable structure. At 12.98 meters in length, with a beam of 3.78 meters and a draft of 1.20 meters, this cruiser is designed for both performance and comfort. The boat is powered by twin Volvo D6-330 DP engines, delivering a combined 660 horsepower, and it achieves a cruising speed of 25 knots, with a maximum speed of 34-36 knots. With a fuel capacity of 730 liters and a consumption rate of approximately 70 liters per hour at cruising speed, the V40 is well-suited for extended journeys. The onboard systems include a full set of Raymarine navigation instruments, including GPS, autopilot, and radar, ensuring precise control and safety at sea.

Inside, the Princess V40 boasts luxurious accommodations for up to four people, with two well-appointed cabins. The owner's cabin features a large double bed with under-bed storage, a wardrobe with shelves, and a vanity unit, alongside a skylight with integrated blinds. The en-suite bathroom, with separate shower access, also serves as a day head. The aft guest cabin includes two single beds with storage below, a sofa, and a wardrobe, offering comfort for overnight guests. The boat's living spaces are equipped with modern amenities, including air conditioning, heating, and entertainment options such as a Fusion MS-AV755 radio, Bluetooth connectivity, and LED televisions.

The deck layout is designed for outdoor enjoyment, featuring a wet bar with a sink, a cool box, an electric barbecue, and an electro-hydraulic transom platform with a power lift mechanism. The full teak decking and cockpit, combined with low-level LED lighting and underwater transom lights, create a stylish atmosphere for evening gatherings. Additional conveniences include a Lewmar electric windlass, a SIDEPOWER bow thruster for enhanced maneuverability, and a hydraulic bathing platform for easy water access. The Princess V40 is a versatile and elegant motorboat, ideal for both relaxing coastal cruises and longer offshore adventures.
