

Delphia 40 for sale in Greece

Description

The **Delphia 40 (2005)** is a well-maintained, **privately owned sailing yacht in excellent condition**, ideal for both cruising and liveaboard use. With an overall length of 11.95 meters, a beam of 3.94 meters, and a draft of 2.19 meters, she offers a spacious and stable sailing experience.

The boat features **three comfortable cabins and two heads**, making her perfect for extended trips with family or friends.

Powered by a reliable **Volvo Penta 40 kW** engine with **3300 hours**, she is ready to sail without additional investment.

Equipped with quality sails including a mainsail with lazybag and furling genoa, the Delphia 40 also boasts a range of cruising comforts and technical upgrades.

Highlights include a dinghy with outboard, anchor windlass with remote, stern shower, and a rear platform for easy access to the sea.

For added convenience and energy efficiency, she comes with solar panels, inverter, battery charger, and **full Raymarine electronics** including GPS, chartplotter, and VHF.

The galley is fitted with a stove, oven, and fridge, while onboard comfort is enhanced with a sound system, water heater, sprayhood, and bimini.

This yacht is a turnkey solution for sailors seeking a dependable and fully equipped vessel.

Location: Greece, Messolonghi.
