

Wellcraft 360 Coastal for sale

Description

The 2008 **Wellcraft 360 Coastal** is a versatile sportfishing and cruising vessel, designed with both performance and comfort in mind. With a length overall of 12.3 meters, beam of 4.16 meters, and a draft of just over 1 meter, it offers a stable yet agile ride.

Powered by **twin Cummins 540 hp** diesel engines, this boat delivers strong performance with a cruising speed of over 30 mph and a range of nearly 400 miles.

The **large cockpit** is well-equipped for serious fishing, featuring multiple rod holders, large fish boxes, a bait prep center, and a 37-gallon livewell.

Added functionality includes a **fiberglass hardtop** with rod storage, spreader lights, and overhead stereo speakers, making it equally suitable for sport and leisure outings.

Inside, the cabin combines functionality with comfort for extended stays on the water. The layout features a **forward island berth with a premium innerspring mattress**, an L-shaped dinette that converts into additional sleeping space, and a galley fitted with Corian countertops, a dual-burner stove, refrigerator, microwave, and storage.

Air conditioning, a diesel generator, and a well-appointed head with a Vacuflush system ensure onboard convenience.

With a sleeping capacity of five, generous **fuel (1514 liters)** and **water (409 liters)** capacities, and premium finishes including cherry cabinetry and cedar-lined lockers, the Wellcraft 360 Coastal is a capable offshore fishing machine that also doubles as a **comfortable family cruiser**
