

Formosa 39 in Montenegro

Description

The 1978 **Formosa 39 Ketch** is a classic, solidly built cruiser designed for extended voyages, offering spacious accommodations for up to eight people.

Its **two-cabin** layout comfortably sleeps six, making it ideal for family outings or small group trips. Built with a GRP/polyester hull and equipped with a steering wheel, the vessel has a dependable, recently overhauled **27 hp Yanmar diesel engine with about 100 hours** of use since its last service.

With a fuel capacity of 200 liters and a fresh water tank holding 600 liters, this ketch is well-suited **for longer passages**. The deck is thoughtfully equipped with a bathing platform, deck shower, and fenders, ensuring comfort and convenience on board.

Inside, the Formosa 39 offers essential amenities, including a **coolbox, gas hob, electric refrigerator**, and a manual toilet, making it a comfortable home on the water.

The boat also features basic navigation tools such as a compass, **echo sounder, fish finder, and GPS**, along with a bilge alarm and manual bilge pump for safety.

Although the **sails and rigging are in good working order**, the electrical system is somewhat outdated and could benefit from an upgrade. With some attention to the electrical installation, this vessel will provide a reliable, enjoyable cruising experience for those who appreciate classic yacht design and functionality.
