

Contest 30B for sale in Spain

Description

The **Contest 30B** is a classic sailing vessel known for its sturdy build and efficient layout. It comfortably accommodates up to five people, with berths located in the bow (2), salon (2), and stern (1). The boat features a single head without a shower, and its compact but practical setup ensures a comfortable experience for extended cruising.

Equipped with a reliable **M3/10 engine** that was **serviced in 2024**, it offers ease of maneuvering under power when needed.

The sail configuration includes a mainsail and a furling genoa, while **navigation is supported by a Garmin GPSmap 421 chartplotter, AIS, and a Neptune100 VNF radio.**

The boat's energy systems are robust, featuring 220-watt **solar panels with an RPPT controller**, two service batteries (110 ampere-hour each), and a starter battery, allowing for sustainable power on extended voyages.

The interior is enhanced with a CD radio receiver, an **autonomous heater**, and ample charging options with 220/12-volt chargers.

In terms of recent maintenance, a range of upgrades was performed, including a **new dinghy, new electrical wiring**, and the addition of a service engine battery.

Structural updates included antifouling, selective **re-varnishing, teak oil treatment**, and **inspection and servicing of the rigging, sails, keel bolts, and the toilet.**

The fridge has also been recharged with gas, enhancing onboard amenities and ensuring a reliable, comfortable sailing experience.
