

German quality sailing boat Dehler 36 for sale

Description

The Dehler 36 boasts impressive speeds due to its efficient hull shape; it has achieved successes in regattas around Europe and can easily outpace many larger vessels in light wind conditions. The boat also offers great value for money; it comes fitted out with all the necessary fittings, plus extras such as an extended cabin roof for additional shelter when needed. Owners benefit from low maintenance costs due to the use of quality materials throughout construction which are designed to withstand long-term wear-and-tear. Furthermore, the boat has been developed over many years by experienced engineers who have taken into account feedback from users worldwide when designing this modern yacht – meaning that anyone who purchases one will have access to quality craftsmanship built upon decades of experience.

An opportunity to acquire a Dehler 36 -90 with engine Yanmar 28hp -90, mainsail, (kevlar) jib and storm jib – 2000. Shaft with two-blade folding. The boat has been sailed in recent years on Lake Vänern. An equipped sailboat with the usual instruments, plotter and stereo, radar, refrigerator with freezer compartment, longitudinal kitchen with gas stove, gas oven, solar panel, toilet space, 6 berths, two aft cabins, forepeak and saloon that can be converted into a bed.

The boat is in good condition and is being sold on behalf of the customer. Engine is delivered serviced upon delivery. A sailboat with good sailing characteristics in combination with family cruising for holidays. Right now very affordable. The boat is offered space in the winter harbor if desired and according to Åk.

The boat is located in Vänersborg on Vänern's southern shore.
