

Moody 38S for sale in Turkey

Description

The **Moody S38** (1996) is a rare and sought-after model, one of **only 20** **• (Sport) class yachts** built among the 60 Moody 38s produced between 1995 and 1998. Designed for sailors who appreciate both speed and comfort, this vessel reflects the impeccable craftsmanship and seaworthiness that have made Moody Yachts a global benchmark for quality.

The S38 is exceptionally stable and safe at sea, while offering spacious accommodations with **three cabins and two bathrooms**.

This particular Moody S38 has been extensively upgraded and maintained to a very high standard. It features **new B&G navigation electronics**, a **Raymarine ST6001 Smart Autopilot**, and a **fully rebuilt 38 HP Yanmar engine** by an authorized service center in Turgutreis, complete with **new insulation and a 3-blade propeller**.

Comfort and functionality are enhanced by **new Jabsco electric toilets**, a **Fisher Panda 4.0 kW silent generator** (600 hours, fully serviced), **air conditioning** in the master and guest cabins, **new LED interior lighting**, and **two-year-old Exide AGM batteries**.

The deck and cockpit areas boast a **new teak table** with cup holders and a marine lamp, a **new bimini and sprayhood**, and a 300-watt solar panel.

Additional features include **80 meters of new galvanized chain**, a 20 kg anchor, a serviced 1000-watt Lofrans windlass with **new wiring and remote controls**, and a 2.7 m aluminum-bottomed dinghy with a **6 HP Mercury outboard**.

All valves, lockshields, portholes, and hatch seals have been replaced, ensuring a completely dry interior. The yacht also comes with a TV antenna and flat LCD TV, Sailor VHF radio, **new cushions**, three **new fire extinguishers**, and numerous **new ropes and sheets**.

The package includes 6 months of dry-dock storage, **new antifouling and anodes**, **new batteries**, and scheduled land maintenance in June 2025. The keel bolts were replaced two years ago, and one bolt that showed minor leakage will be repaired under warranty this year.
