

Fountaine Pajot Helia 44 in Turkey

Description

The **Fountaine Pajot Helia 44 (2013)** is a well-equipped, **privately owned** sailing catamaran designed for comfort and performance. It offers a stable and efficient sailing experience. **3 cabins, 3 heads.**

The **SARMA mainsail and genoa** ensure excellent handling, making it a great choice for long voyages or leisurely cruising.

The boat boasts generous storage and essential onboard systems, including a 500L fuel tank, 500L water tank, 300L wastewater tank, and 150L hot water tank, ensuring **extended autonomy on the water.**

This fully equipped vessel includes a **50L/h watermaker, an 8000W generator, 1500W Solbian flexible solar panels**, and a 100A battery charger, providing energy efficiency and self-sufficiency.

Comfort features include **air conditioning, an electric WC, a water heater, a Webasto diesel heater, and a Raymarine satellite dish.**

It is also fitted with **two refrigerators, a freezer, a winter enclosure, sunshades, and three 4G network security cameras.**

For safety and convenience, the yacht comes with a **Zodiac 340** dinghy with a **Yamaha 9.9** outboard motor, a six-person life raft (last revised in 2021), a **120m anchor chain** with six fenders, and an extensive set of tools and spare parts.

With **Volvo Penta D2-40** engines (**2300 hours**) and a complete navigation and comfort package, this catamaran is ideal for both seasoned sailors and liveaboard cruisers.
